## APPOINTMENTS FOR SESSIONAL LECTURERS

We often receive questions regarding appointments to positions involving open competitions for sessional lecturers. This information is general and does not specifically speak to appointments for TAs or positions that hold **Right of First Refusal (RoFR)**.

Please refer to Appendix F of our Unit 2 collective agreement to see how competing RoFR's are decided upon. When there is an open competition for a sessional lecturer position and two or more candidates apply and the qualifications are demonstrably equal, then the most senior candidate should receive the appointment.

As per Article 11 of our collective agreement, before the hiring, a selection committee must establish a **rubric for evaluating applicants' application**. The rubric will be specific for the position and could include things like education, publications, previous teaching experience in the area, other work experience, seniority points, etc.

One candidate may have strengths in one area while another candidate has strengths in a different area. On the rubric, the areas would be scored for each applicant. If two candidates are relatively equal, then the most senior candidate should receive the offer. If a lower senior candidate is demonstrably more qualified, as per the rubric, then the lower senior candidate would receive the job offer.

If you believe you should have received an offer but did not, feel free to reach out to our **Labour Relations Coordinator**, Jeff at [labourrelations@cupe3913.on.ca](mailto:labourrelations@cupe3913.on.ca).

We can discuss your specific concern and we can contact the University for more information around that specific hiring decision. It is worth questioning if you have questions regarding hiring.

# EXPERIENCING DIFFICULTIES IN YOUR ROLE AS A WORKER? WE CAN HELP

Our Labor relations Coordinator is here to advise you

Reach out to Jeffrey Cornelissen  
[labourrelations@cupe3913.on.ca](mailto:labourrelations@cupe3913.on.ca) to discuss the  
issue and get insights into possible solutions.

---

Some things to know about resolving work issues

## **The earlier you contact us, the better**

If an issue has arisen, contact us as soon as possible with the pertinent details so that we can offer you guidance on how to proceed.

## **You are in charge of all decisions**

There are many ways a work issue can be resolved; we can lay out your options so that you can make an informed decision that works best for you. However, only *you* will decide what will happen.

# EXPERIENCING DIFFICULTIES IN YOUR ROLE AS A WORKER? WE CAN HELP

## One option is an informal resolution

The Union can bring the issue to the Office of Faculty and Academic Staff Relations (FASR) in the hopes that it will be addressed appropriately. We will discuss with you how we will present the problem to FASR to ensure your comfort. Note that we are able to settle the vast majority of issues through this route.

## Another option is to file a grievance

If the matter is more serious or is not resolved appropriately through the informal route, we can file a formal grievance (though only if this is a route that you choose).

## What is a grievance?

A grievance is a complaint put forth by the Union articulating that the employer has acted (or failed to act) in a way that violates the Collective Agreement. A grievance by the Union on behalf of the member.

Find more information about grievances and the grievance process on our website [here](#).

[www.fordpartner.com](http://www.fordpartner.com)

## What about the Financial Assistance Fund (FAF)?

Formerly, Unit 1 members (TAs) experiencing financial hardships could apply for up to \$500 in financial assistance per academic year.

Unfortunately, due to the University's failure to pay members in a timely manner in the F24 semester, the FAF has been exhausted for the duration of the academic year. CUPE 3913 has filed a grievance with the university to recoup some of this money, but unfortunately this is a time-consuming process, and we don't expect this fund to be available again until September 2025. Discussions are ongoing with the university to resolve this issue.
